

From Root Cause to Our Goal

Let's dig into the root causes we uncovered during our research:

1. Which root cause has the biggest impact on the problem, and why?
2. Which root cause would be the easiest to fix?
3. What should our goal be?

Use your answers to complete the table below:

Root cause	The issue	Goal
e.g. Lack of awareness about grooming	e.g. People don't know what it is	e.g. Raise awareness at school
